Lorie Woodward Cantu and Katie Dickie Stavinoha met at Texas A&M. As they got to know each other within Texas A&M's hallowed halls, which included pool halls, dance halls and the occasional lecture hall, they discovered many similarities, despite being raised several hundred miles apart. For example, their grandmothers bought them red nylon underwear with ruffles. The scratchy kind.

They share a warped sense of humor and ownership of the *Round Top Register*, which printed the Back Roads Guide to the 2015 Round Top Antiques Show.

Katie values people who spell well. Her biggest pet peeve is a person who bends the cards while playing. She loves fresh blackeyed peas, with snaps. And pot liquor.

Lorie appreciates neighbors who wave as they pass on a back road. She adores her grandmother, but hates red, ruffled granny panties, pretension and tardiness.

Check out www.goingtoroundtop.com. They blog about motherhood, entrepreneurship and things that make them laugh, cry or scratch their head. No ruffled granny panties allowed.
