TIP: PARK BEHIND HENKEL SQUARE FOR DOWNTOWN ACCESS

Open for Business

The famous, twice annual antiques shows bring first-time visitors to Round Top. The unique businesses, including art galleries, restaurants, gift shops, antiques stores, vintage collections, repurposing meccas and boutiques, will bring you back year-round—year after year.

The population of Round Top hovers around 90 people for most of the year meaning you'll have plenty of elbow room as you explore. The entire Roundtopolis beckons. Book a room at a local inn or B&B and declare Round Top as your home base for a relaxing, fun-filled getaway.

Currently, shops in Henkel Square are open Wednesday through Sunday. Businesses at Bybee Square are open Thursday through Sunday. Rummel Square is being renovated right now. Its two open businesses, Townsend Provisions and Espressions Coffee & Art, have varied hours.

When it comes to dining, be sure to call ahead if you're not sure of your favorite place's hours. On Monday, no restaurants are open in Round Top, but the Round Top Mercantile offers made-to-order sandwiches and the Round Top Rifle Association hosts "Burgers and Brews" on most Monday evenings at the Rifle Hall. ★
