In your own words, describe what shoppers will find at your show (300 words):

Carmine Trading Post has taken the old lumber company and transformed it into an eclectic blend of furniture, collectibles, and decor. Our dealers bring a combination of re-claimed wood furniture, rustic, primitive, vintage glassware, vintage kitchenware, antique furniture, collectibles, old & vintage signs, antique & vintage toys, vintage quilts, handmade jewelry, vintage lighting, and vintage linens to our store. These are only a few examples of what you will see.

Experience a part of Carmine, Texas history while you shop our grounds. We've been told our two buildings are 100 years old. Personally we think they are cool and have a lot of character.
